

**ROC Flevoland  
welcomes you!**

## **THE LISBON SUMMIT 2000: CONCRETE ACTION TO STIMULATE EUROPEAN COMPETITIVENESS**

**Welcoming the outcome of the Summit, Commissioner Frits Bolkestein said: "The EU's Internal Market lies at the heart of European integration and is the single most important stimulus to European competitiveness."**

In 2010 students are confronted with a global marketplace. For this reason international activities at ROC Flevoland form an integrated part of our curriculum. Together with partners all over Europe, ROC Flevoland continuously expands and upgrades the quality of its work placement network, update exchange programmes with different partners and students city travel within Europe. ROC Flevoland created an office "International affairs" to facilitate students and staff.

Every year ROC Flevoland sends students abroad for a period between 10 and 20 weeks in the Health care, Business and Trade Services, ICT, Insurance and Bank activities sectors. To start new activities we send staff across borders for orientation or to intensify working relationships with colleges and companies in Europe. ROC Flevoland has exchange programmes all over the world for example Russia, Ukraine, China and the USA.

ROC Flevoland has incoming guests from all over Europe. Students are welcome together with the teachers for all kind of cultural and professional skills programmes.

**ROC Flevoland is always looking forward to welcome your organisation to Flevoland, the Netherlands.**
